A substantial, well balanced five bedroom three storey townhouse with an additional study, three en- suites and a separate ground floor shower room, positioned at the end of a quiet cul de sac with views across Stanpit Marsh towards Hengistbury Head and Christchurch Priory.

The property has been improved and updated over time by the current owners and offers flexible accommodation arranged over three floors.

The ground floor opens into a spacious entrance hall with storage, leading to a bedroom with en suite, two further bedrooms, a separate study and a modern shower room. One of the rear bedrooms benefits from patio doors opening onto the garden, making this level ideal for family living, guests or home working.

The first floor forms the main living space, designed to take advantage of the elevated position. The sitting room is light and spacious with sliding doors opening onto a private balcony, allowing the outlook across the nature reserve to be enjoyed from both inside and out. Double doors lead through to the kitchen diner, creating a natural flow through the living space.

The kitchen diner features a modern kitchen with Konigstone Dakota quartz worktops, matching upstands and window cill, an integrated pop up power point and contemporary Italian units, with a defined dining area and a separate utility room.

The second floor provides a full width principal bedroom to the rear with fitted wardrobes, views of Christchurch Priory and an en suite bathroom, along with a further double bedroom to the front with fitted wardrobes and its own en suite shower room.

Outside, the rear garden is low maintenance with side access, while to the front there is a lawned garden, casual parking and a single garage in a nearby block.
