## Property Description

\*\* GUIDE PRICE £750,000 - £775,000 \*\*

A substantial detached home with a self contained two bedroom annexe, set within one of Southbourne's most sought after roads in the heart of the Carbery Estate, between Carbery Avenue and Seafield Road.

Offering over 2,000 sq ft of flexible accommodation, the main house is arranged to maximise both space and natural light. The L shaped lounge diner enjoys a dual aspect with a front facing bay window and doors opening onto the rear balcony, allowing light to flow through the space. The kitchen is positioned to the rear and also opens directly onto the balcony, reinforcing the connection between the living space and garden.

The ground floor further benefits from a double bedroom, a separate WC, and a useful under stairs storage cupboard.

On the first floor there are two further double bedrooms, one with built in wardrobes, together with the main family bathroom and a separate shower room.

The lower ground floor has been converted to create a fully self contained two bedroom annexe, accessed via a pathway down the side of the property and benefiting from its own private entrance, with an L shaped kitchen and living space, two bedrooms, a study, and a bathroom.

This configuration provides excellent flexibility for multigenerational living, independent family members, or those requiring additional accommodation.

Externally, the property benefits from a level rear garden, mainly laid to lawn with mature planting providing a good degree of privacy. There are patio areas, a garden shed, and an elevated balcony overlooking the garden.

To the front, a resin driveway provides off road parking and access to the garage.

The property has been recently refreshed with new carpets and redecoration throughout and is offered to the market vacant with no forward chain.
